Discover Hidden Gems in Dar es Salaam

Located on the Swahili coast, Dar es Salaam (the “abode of peace”), is the commercial capital of Tanzania, home to a strategic port, and the largest city in East Africa. It is an eclectic cultural destination for history, food, music, and art, all drawing from its African, Indian, and Arab influences. Experience the city's vibrant heritage, catch a ferry to the exotic Zanzibar Island or take a short charter flight to Tanzania's rustic southern safari experiences.

- Walk to nearby Coco Beach where you can enjoy authentic street food
- Catch some fresh air and take a walk or a bike ride along the scenic Oysterbay
- The nearby islands of Bongoyo and Mbudya are a popular day trip for tourists and locals to swim, snorkel, or sunbathe
- Visit the Slipway waterfront promenade for stylish shops and curio markets
- Take on the eclectic nightlife and vibrant dining scene on Haile Selassie Road
- Take a private tour to understand the city's colonial architectural heritage and trading roots
- Visit the Kivukoni to immerse in the busy energy of thriving local seafood market
- Visit the Village Museum to learn more about Tanzania's traditional and tribal culture
- Tanzania Unforgettable
- From incredible national parks and game reserves teeming with wildlife to glorious beaches, luxurious accommodation and incredible culture and food – Tanzania is the ultimate travel bucket list and an ideal destination with something for everyone.
- Experience the thrill of wildlife safaris and observe animals in their natural habitat at Serengeti National Park, Ngorongoro Crater, and the Selous Game Reserve
- Go for a hike at the tallest mountain in Africa, the famous Mount Kilimanjaro
- Visit the enchanting ‘Spice Island’ of Zanzibar with its alluring beaches and timeless Stone Town
- Adventure in Mafia Island for world class diving, migrating whale sharks, and secluded sandbars

Intimate Meetings and Events

Perfect for boutique business meetings away from the large crowds of downtown hotels. Choose between a private workstation, meeting huddle room, workshop room, or an executive boardroom. You can also host a private TED-like talk in our casual restaurant dining area. We also have Wi-Fi boost and video conferencing options for virtual/physical hybrid meetings. Elevate your meeting experience with on-site catering and diverse menus. We have a 24/7 business center, and our on-site team is always on standby to help you with anything you need.
